Dear Friends

I’m not one of life’s natural gardeners so it’s ironic that I find myself with a rather large garden to look after. This time of year especially it’s difficult to keep the weeds at bay and there is never enough time to get everything done. However, I give the garden what time I can and come the summer, when the hanging baskets are bursting with colour and I can step into the garden and pick sweet peas or some fresh herbs for cooking, I’m always glad I made the effort. And as every gardener will know, the more effort you put into your garden, the more fruit you will bear.

On 17th and 18th June the folk in Martinstown are opening their gardens (the profits of which are going to the children’s play area). Two years ago, at this event, I agreed to open The Rectory garden though the garden was very much a ‘work in progress’, having been neglected for over a year when the Rectory was empty. When I moved here the garden was full of stinging nettles, brambles and weeds, which, having been left to their own devices, had taken over the flowerbeds, strangling the plants and preventing them from flourishing.

Two years on, after slow and constant work to remove the weeds, the garden is looking much better. The weeds are no longer in charge as a consequence the beautiful plants that were once underneath nettles and weeds now thrive.

But as every gardener knows, without relentless attention the weeds will very quickly take a hold again. The battle is a constant one. A gardener once told me that a little hoeing every day helps to keep the weeds at bay - hoeing the weeds uproots them, leaving them without the sustenance they need to survive. As Christians it’s tempting to assume that the seed of God’s word has taken root and will flourish. No doubt some does, but alongside that, far more certainly, there will be weeds constantly sprouting up and competing for space in our lives. Pressures and temptations are swift to germinate and hard to control, and as a result faith can be stifled, even destroyed altogether. But if we face up to the truth we can at least respond accordingly, seeking with God’s help, to stay on top of whatever prevents true and healthy spiritual growth.

Enjoy the Open Gardens weekend!

Yours in Christ

A Silent Space: Being Open
At this time where there is a tendency to focus on ourselves it is important to give clear attention to friendship, connectedness and being open to others who are different from us.

We invite you to join with a group who come together to open themselves up to the Holy Spirit in St. Martin's Church, on the first Tuesday of every month at 6pm for 20 minutes of silent mediation, drawn to a close by reading poetry and prose.

Our next event will be our village outing to Mottisfont (NT) and Romsey on Wednesday 21st June. Maud Russell made Mottisfont her home in the 1930s, bringing artists there to work and relax. The drawing-room was painted by Rex Whistler. The top-floor gallery has a permanent 20th-century art collection and major exhibitions are also held there. In June the world-famous collection of old fashioned roses are at their best in the gardens. There is a restaurant, cafe, shop and plant centre. We will be leaving Mottisfont at 2.00pm to spend the afternoon in Romsey.

The coach will leave Martinstown at 9.00am and we will arrive back at approx. 6.45pm. The cost is £16 for National Trust members and £27 for non NT. There may be a few places left so please ring Eileen on 889584 or Angela on 889628 if you would like to join us on this outing.

Pat Willetts - Tel. 889597

We raised £37.36 for comic relief at our Toy & Bake Sale on Monday 20th March. Thank you to everyone who donated and helped support this fantastic cause, especially to Karen who helped us sell some of our delicious cakes at the shop.

We are really struggling for extra volunteers to help run and support this group. If you are able to offer any help, whether that’s on an ad-hoc basis or regular support, please contact Lizzie, either on 07949 639011 or on our Facebook page ‘Martinstown baby and toddler group’.

Martinstown Baby & Toddler group provides a friendly meeting place for parents, grandparents, carers & childminders. We offer a safe and fun environment for your babies and toddlers to play and socialise. We are an inclusive group and welcome new joiners from all locations. We meet every Monday from 10-12pm all year round, including school holidays. There is also plenty of free parking.

Do come along and enjoy the benefits not only for your little one, but for you too! The cost is £2 per family and we look forward to meeting you and your little ones.

## Dorchester Poverty Action Group (Reg Ch no 1041397)

For over 25 years this charity has been helping local people (DT1 & DT2) at points of crisis by providing emergency grants of up to £150. This relatively small amount of money can prevent debt, homelessness and acute stress. Over the last few months, working with local social workers, health visitors, housing support officers etc, grants have included money for a cooker, school uniform and shoes, baby equipment including a cot and buggy and rent arears following funeral costs.

Recently the number of requests has risen, so please support the group’s annual coffee morning to raise money to support more local people, in some very difficult situations. Every penny can make a difference, with all money raised locally and spent locally.

### COFFEE MORNING

**Sat 8th July**
**10-12 noon**
**United Church Dorchester**

Refreshments with home made cakes, stalls & raffle
At our meeting in May we heard a very interesting talk from Kay Townsend about the history of the fairground and the life of the travelling showmen. She told us how her grandparents had started in Weymouth with swing boats on the beach and how the family continue to be involved in travelling to fairs transporting the rides on enormous trailers.

Seven of us recently enjoyed a weekend at the WI College at Denman in Oxfordshire where we attended different courses – cheese making, family history, jewellery making, Blenheim and the Churchills. The college offers a wide range of courses and is set in beautiful grounds with excellent food and accommodation.

We look forward to a busy summer – on Wednesday 14th June at 3 pm we have a picnic at the village hall. [Outside if the weather permits!] 21st June will be our joint outing with the Valley Club to Mottisfont and Romsey.

To celebrate the Centenary of the WI in Dorset some of our braver members are riding the Zip Wire from Bournemouth Pier – we hope to include photos next time.

On 12th July we have a talk from Dr Francis Burroughs entitled “Illegal Immigrants in your Garden”.

Angela Barrett - Secretary

FRIDAY LUNCH CLUB 2017 DATES:
All are very welcome to our monthly Community Lunches in the Village Hall on the first Friday of each month, except for December (2nd Friday).

We are always pleased to hear from people who’d like to be involved in any way, from cooking to laying tables. Please contact Jan on 889738 if you’d like to be involved – we do enjoy ourselves as well as work!
The schedule for the Martinstown Garden and Craft Show is now available, either enclosed within this magazine or in local shops, pubs and churches.

GARDENING TIPS FOR June/July

Hopefully all of the garden produce and flowers are in full growth by now. Try to keep hoeing between plants as small weeds can become very big and problematic the moment you take your eye off them!

If you are growing a potato for the Greatest Weight from a supplied potato class you need to keep topping up the soil around the top as it emerges and keep watering and feeding until the haulm (leafy part) begins to die down. This should be about the time of the Show on August 20th.

If you make Preserves please be sure to read the rules regarding jars and tops. It is fine to submit Chutney that was made last year as it improves with age. However other preserves should, if possible, be this year’s produce.

The theme for the Photography Class is Happy Holidays. This can be anything which has happened when you have been away on holiday or just something that happened on a ‘Holy Day’.

Please note that we are holding a Children’s Craft Day on Sun 9th July.

For more details please read our poster.

2.4 billion people don’t have a loo. Every minute, a child under the age of five dies because of dirty water and poor sanitation. In Africa, half of young girls who drop out of school do so because they need to collect water or because the school hasn’t got a basic toilet. Every £60 we raise can provide a toilet for an impoverished community, for £240 we can provide toilets for a school.

Please help flush away disease and poverty by supporting this great cause, come on the day, and/or give any donations for raffle or stalls to Sally – 01305 889097

Seckou Keita - 22 Strings

On 16th July at 7:30 pm, Martinstown Village Hall welcomes Seckou Keita, arguably the most influential and inspiring kora player of his generation, an exceptional and charismatic musician and a true master of his instrument. Seckou has an international reputation, with appearances on R3 and R4, and in 2015 he released an award winning album, 22 Strings.

One of the leaders of the newest generation of African traditional musicians, he fuses the traditional forms and instruments of Senegal with those of other cultures. He gives us the kora in its purest guise, a wondrous instrument that can soothe the bloodlust of warriors and take the human spirit to a place of deep meditation, stillness and beauty.

Combined with evocative vocals, expect an unforgettable musical experience as this outstanding performer visits us through Artsreach, the county’s touring arts charity.

Tickets are going quickly, so call Jan on 889738 to ensure that you don’t miss this unique opportunity.
Martinstown Mileaters OUT AND ABOUT  

By Lesley Pemberton & Rosie Duke

On a beautiful sunny May morning 16 walkers and 4 dogs met at the water cress meadows in Bere Regis. We welcomed little Lulu Roger and Lynns dog on her first Mileaters.

Malcolm and Mary were our walk leaders and they did a grand job keeping us altogether and going in the right direction. Beautiful swathes of Bluebells through the woods and not a spot of mud could we believe it. We came to the river Piddle several times and tempting as it was only the dogs went in for a paddle, George didn’t want to come out! We stopped for coffee over looking the village of Briantspuddle (Marys old hunting ground! Say no more.) Beautiful view and a herd of deer casually eating grass in a nearby field not bothered by us. Once all refreshed we carried on and still no mud couldn’t believe it. We made our way back into Bere Regis and had a very good lunch at the Drax’s arms pub.

Lesley Pemberton

Mapperton House, Beaminster was the starting point for an April walk organised by Gerald and Rosie. The Mileaters joined by Kate’s daughter and parents making 24 in all and 4 dogs set off in perfect walking weather – clear skies with gentle sunny warmth. It was good to have David walking with us again, testing his new hip.

The circular route started along a country lane which gradually got steeper, those of us who had to stop to catch our breath were able to admire the banks covered with primroses, violets and bluebells. The bridlepath levelled out as we reached the fields and we enjoyed views across to Poorton and beyond. Through Hooke Park, more wild flowers; this time several beautiful swathes of bluebells beneath the trees in the woods. The final stretch joined the Jubilee trail as we headed back towards Mapperton and a final surprise as we went “off piste”. Gerald had arranged for a gate at the bottom of the gardens to be unlocked which allowed us to walk up through Mapperton House gardens to the Sawmills cafe for a well earned and delicious lunch.

A good walk – beautiful wildflowers, very little mud, hardly any brambles and entertainment provided by George the dog whose enthusiasm for the various ‘water features’ we passed meant that he came out a different colour every time!

The trouble was, the British Army got lost in Scotland in 1746, trying to find Bonnie Prince Charlie and the rebels. Accurate maps of the British Isles did not exist, and the government was forced to think about it in face of frequent threats of French invasion. Eventually they turned to the Ordnance, which was responsible for all military supplies from cannons to horseshoes.

Based in the Tower of London, the Ordnance thought about it for forty years, and then organised the Royal Military Surveyors associated with the newly-formed Royal Engineers. Hundreds of men were trained in surveying and mapping and in the technique of triangulation. When ready they were sent out on what must have seemed a colossal and probably impossible mission – to make detailed maps of the whole country.

As the war with Revolutionary France broke out in 1794, Captain William Mudge and Mr Isaac Dalby stood on Black Down above Portesham and set up the first trigonometrical station. It was to link with stations to the west in Devon and to the north in Dorset. Using their theodolites the surveyors measured the angle between two known lines of sight to measure the length of the third – the process known as triangulation. Proceeding across country the surveyors transferred their findings to sketch maps. More and more teams of surveyors were employed, using compasses, pacing and perambulation.

Field drawings were made up and taken to the Ordnance headquarters in the Tower. There in the huge Drawing Room (not for sitting-in, of course) the highly skilled mapmakers gradually inscribed the vast number of topographical details. A Royal Military Surveyor Thomas Yeakell prepared the final draft for Dorset at one inch to the mile. The sheets were skilfully engraved for printing, and proof copies sent to the local gentry for their comments and corrections.

Finally, Sheet 17 (later re-numbered Sheet 92) which covers South West Dorset was published in April 1811, some seventeen years after William Mudge had first taken measurements on that cold and windy spot on Black Down. The threat of French invasion had receded, though we were still at war with the French. Napoleon was contemplating the invasion of Russia, which proved to be his nemesis. Sheet 17 now bore the name of Lieutenant-Colonel Mudge.

The Ordnance Survey was a magnificent project which was thoroughly successful. The original maps are now historical documents, but on their basis the Survey has been continuously developed and refined.

The maps are invaluable to central and local government, to commerce and communication, and of course for their original purpose, defence. Not to mention the Martinstown Mileaters!
Many thanks to everyone who supported the annual PTFA Fun Run, Duck Race and BBQ. As usual, it was a hugely successful day enjoyed by all the children.

Congratulations to ex-Winterbourne pupil, Sam Monteith, who won the duck race and current Winterbourne pupils; Amelie, Jude and Rupert, whose ducks were the quickest swimmers in each of the Duck Races.

On behalf of the PTFA, I would like to express huge thanks to Stephen Slade and Stuart Dawson for their hard work clearing the stream, to Karen Barrett from the Village Stores for selling ducks and donating finish line sweets and to Ben and Leanne from The Brewer’s Arms for allowing us to host the BBQ in the garden, for selling ducks and providing finish line drinks. Without the support of people from the village, this event would not be able to go ahead and we are very grateful to them.

Date for the Diary...

**SUMMER FAYRE – Saturday 1st July at Winterbourne Valley First School**

This is our main fundraiser of the year. Volunteers are needed to help and the success of the event very much depends on them. If you have any ideas or would like to run a stall, please do get in touch.

Amongst the stalls will be a tombola, raffle, cake stall, plant stall, BBQ and this year we also have an ice cream van.

We would also welcome anyone who would like to sell their own crafts, jams, etc. There is a charge of £10 for a table.

There will be 2 non-uniform days in June leading up to the Fayre; one in return for chocolate items for a chocolate tombola and another in return for other tombola items.

We also hope to run a rehoming stall for unwanted soft toys. If you have any good quality soft toys that are taking up space at home, please bring them into school or give them to myself or Mrs Forbes in the playground.

Following on from the success of the last school disco, we will be running a disco to say farewell to our Year 4 pupils. This will be held on Friday 7th July. More details will be coming out via letters very soon, but please save the date.

May I also take this opportunity to say goodbye to all of our Year 4 pupils and wish them well at Dorchester Middle School.

I would also like to say a huge “Thank You” to some of our year 4 parents who will be leaving the PTFA at the end of this term. They have been significantly involved in fundraising events over the many years their children have been at school and most of the events would not have run without their invaluable input; Bron Davison, Marianne Gerety and Lisa Walters – take a bow!! You will be greatly missed. If events are to go ahead in future, we really need more volunteers to help. Most jobs aren’t difficult and many hands make light work. Please pop into the office or grab me in the playground, if you would like to be involved.
